

## William Amory Primary School – Child Friendly Safeguarding Policy

We want every child to feel happy and to be safe at home and at school. You can talk to any adult in school if you are feeling worried or unhappy, they will listen to you and help you.

We are a Rights Respecting School and respect is one of our values. You have:

Everybody has the right to feel safe at all times!

Safeguarding means that all staff will:

- Protect you from harm
- Make sure that you are safely looked after
- Make sure that you get help if you need it
- Make sure that you have the best life chances

There is also a special number called Childline you can call, they listen to worries too, or you can look at these websites for help and advice.
